MEMORANDUM

TO: Officers
Chancellors/Provost
Vice Chancellors for Academic Affairs
Vice Chancellors for Student Affairs
Registrars

FROM: David Lassner
President

SUBJECT: Adjustment of Registration Time for UH Internal Transfer Students and Returning Students.

The UH System is committed to eliminating the barriers to easy and efficient transfer for students between UH campuses. One issue that students consistently raise as a concern is that, regardless of their class standing, students transferring between UH campuses register after continuing home campus students at all 4-year campuses.
